LUNCH BUFFET 11AM - 3 PM

Our pizza is made fresh from scratch everyday using only fresh ingredients. We hand stretch the dough, mix the sauce, and blend only the highest quality whole milk cheeses, just like Arthur did 50 years ago! Our goal, just like his, is nothing short of the best pizza in the world.

Consuming raw or under cooked meats, eggs, poultry, seafood or shellfish may increase your risk of contracting a food borne illness, especially if you have certain medical conditions.
